Hi Russ,

Yes, please see attached for the rule we sent up to OW last week, as well as the desk statement which is a helpful summary of what's going on.

Best,
Whitney

Sounds great. Look forward to a briefing. Can you send me the doc too?

Thanks, Whitney!

Hi Russ,

FYI, happy to catch up on 404g this week, but our rule codifying EPA's approval of Florida's program is over at OP! It's a short 11 page final rule issued without notice & comment for "good cause," an exception under the APA.

Best,

Whitney

Hi all, FYI we sent the Florida package over OP for review and processing. We still don't know about timing, but will keep you posted. Thanks!
